## Welcome...

Welcome to the School of Career Education, a Subsidiary of Riverside County Office of Education. When it comes to charting your career path, you want an experienced partner that you can trust. At the School of Career Education, we're a public not-for-profit organization motivated by your success in the world of work. There are countless reasons why you should choose SCE – here are the top five.

### **#1: Regional Employer Relationships: Because education should lead to employment.**

Our relationships with more than 1,000 regional employers, means that we have our pulse on their hiring needs and understand the skills you need to be successful in the world of work. Check out our placement rates.

### **#2: Affordable Quality: Education is within your reach.**

Advancing your education and workplace skills should not translate to a lifetime of debt and financial struggle. Compared to private schools, School of Career Education is incredibly affordable with flexible financing and options.

### **#3: Real-World Industry Experience: Instructors matter.**

Our state-approved credentialed instructors are leaders within their respective industries with years of real-world experience, giving you a competitive advantage in connecting to a prosperous future in today's tough job market.

### **#4: Accredited Not-for-Profit Status: We are not motivated by profits, but by the success of our students.**

Because we have a long history as a regional occupational program (ROP) that is part of the Riverside County Office of Education, and relationships with more than 20 regional school districts and community colleges, you can trust that our accredited school always has your best interest for succeeding in the world of work.

### **#5: Students Love Us: The feeling is mutual.**

In a recent survey, 100 percent of our students would recommend School of Career Education to a friend or family member for their career planning and training needs.

**At School of Career Education, you are our future. Let us help you get connected to the world of work!**

I join the entire staff and faculty in welcoming you to the School of Career Education!

Sincerely,

Ron Vito

# About School of Career Education

---

School of Career Education grew from RCOE's 40 years of experience successfully offering Career Technical Education. Currently, we provide post-secondary training in more than eleven subject areas at several locations throughout Riverside County.

School of Career Education's technical certificate programs provide instruction in both theory and practical applications using methods appropriate to the subject area. Each technical certificate program provides instruction in all aspects of its industry. Instructors maintain intern and employer relationships to ensure industry contact necessary for student success. In addition, students are provided a foundation of technical, academic, and communication skills upon which they can continue to grow, learn, and advance.

## Student Services Center

The Student Services Center is an integral part of the School of Career Education. Services include career assessment, guidance, and registration.

### School of Career Education maintains two adult student services centers:

School of Career Education, Branch Campus  
2100 E. Alessandro Blvd., Riverside, CA 92508  
(951) 826-4SCE (4723)

School of Career Education, Main Campus  
Don F. Kenny Regional Learning Center  
47-336 Oasis St., Indio, CA 92201  
(760) 863-3333

## Resource Centers\*

The Resource Centers are located within both Student Services Centers. Services available are:

- Computer Lab with Internet Access
- Resource Library
- Employment Listings
- Academic Support Services

\*Services vary by location.

## Placement Services\*

School of Career Education ensures the delivery of effective and quality services to students and graduates in the following areas:

- Career Readiness Workshops
- On-Site Career Fairs
- Classroom Seminars
- Intern and Career Placement Assistance
- Career Advising
- Job Postings

\*Services vary by location.

## **Consumer Information**

The staff at the School of Career Education work diligently to ensure that every student has an opportunity to be successful in his/her educational endeavors. It is a priority to maintain a safe, stable, and academically enriching environment for all students enrolled in School of Career Education courses or programs. In accordance with federal and state guidelines, School of Career Education annually maintains statistics regarding school enrollment, student program completion, student program placement, student program licensure, and on-campus crime. This allows staff to regularly evaluate all services provided, and improve the quality of services offered. This information is readily available in hard copy through the Student Services Center.

## **Follow-Up Surveys**

All students will be asked to participate in a variety of follow-up surveys. The exit interview and instructional survey occur near the end of a term. The information gathered is used to assess student needs. In addition, a placement survey will be conducted to collect information regarding employment, post-secondary education, military enlistment, and state certification and licensure. The placement survey will ask about employment information regarding the type of position obtained and other information related to employment status. The information gathered will be used for statistical purposes.

## **Immunization Policies**

Students must provide proof of immunizations and health clearances as stated in program prerequisites. Not all School of Career Education programs require immunizations for admissions; students interested in getting more information about immunizations should contact their local or state public health department or consult with their health care provider.

## **Illegal Distribution of Copyrighted Materials**

School of Career Education supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Engaging in file sharing, copying and distribution of copyrighted materials may result in disciplinary action as well as civil and criminal penalties.

## **Electronic Devices Policy**

Cellular phones, pagers, and other electronic devices shall not be used in a manner that causes disruption in the classroom or community site training facility. Abuse of cellular devices with photographic capabilities, use of devices for purposes of photographing test questions, or other notes and materials is prohibited. Photographing individuals in secured areas such as bathrooms, or other areas where there is a reasonable expectation of privacy, and/or taking photographs of an individual against their will is strictly prohibited. Electronic transmission of photographs of any person without express permission is strictly prohibited.

## **Campus Safety and Security**

The School of Career Education considers the personal physical safety of its students, faculty, and staff essential for a successful learning environment. Part of crime prevention is individual safety consciousness and awareness of personal environment. School of Career Education suggests the following crime prevention measures, which can contribute to personal safety and security.

1. Do not leave valuable items in your car, including personal items and school related materials.
2. Do not park in isolated areas.
3. When using a personal vehicle, keep the doors locked at all times. Before entering a vehicle, always look around the vehicle and in the back seat.
4. Keep personal keys in your possession at all times.
5. At night, travel in well-lighted areas and in pairs if possible. Avoid short cuts and deserted areas.
6. Notice and be aware of suspicious persons and conditions.
7. Leave items of high monetary value at home.
8. Do not leave personal property unattended.
9. Do not carry more cash than necessary and do not advertise what you have.
10. Mark personal items with your name or some other traceable identification.
11. Do not bring any kind of firearm, dangerous weapons, explosives, or lethal materials onto School of Career Education property.
12. If anything makes you feel unsafe or threatened, dial 9-1-1.

For more information about campus safety and security the School of Career Education's Annual Safety Report can be found at [www.riversidesce.org](http://www.riversidesce.org).

## **Notice of Nondiscrimination Policy**

School of Career Education is committed to equal opportunity for all individuals in education. School of Career Education programs shall be free from discrimination based on gender, sex, race, color, religion, ancestry, national origin, ethnic group identification, marital or parental status, physical or mental disability, sexual orientation, or perception of one or more characteristics.

School of Career Education programs and activities shall be free from discrimination, including harassment, with respect to a student's actual or perceived sex, ethnic group identification, religion, gender, color, national origin, and physical or mental disability, age, or sexual orientation.

School of Career Education shall ensure equal opportunities for all students in admission and access to the educational program, guidance and counseling programs, testing procedures, and other activities. School of Career Education prohibits intimidation or harassment of any student by any employee, student, or other person. School staff shall carefully guard against segregation, bias, and stereotyping in instruction, guidance, and supervision.

Please refer to the School of Career Education's Student Handbook for the entire nondiscrimination/harassment policy along with the Student Complaint process. This information can also be found on the School of Career Education's website [www.riversidesce.org](http://www.riversidesce.org) or a paper copy can be obtained at a School of Career Education Student Services Center.

## **Americans with Disabilities Act**

The School of Career Education is committed to equal opportunity for all individuals in education. The School of Career Education will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities in accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (“ADA”), as amended, and Section 504 of the Rehabilitation Act of 1973 (“Section 504”), as amended, as well as other applicable federal and state laws and regulations that prohibit discrimination on the basis of disability. No qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of the School of Career Education.

The School of Career Education will, upon request, furnish auxiliary aids and services, as well as provide reasonable accommodations and modifications in policies, practices, and procedures so as not to deny equal access to individuals with disabilities. Any qualified individual with a disability who requires an auxiliary aide or service, reasonable accommodations, or a modification of policies or procedures to participate in a program, service, or activity of the School of Career Education should contact Ann Vessey, Section 504/ADA Coordinator, at (951) 826-6476, as soon as possible. The request of the individual will be considered, auxiliary aids and services, reasonable accommodations, and/or modifications, or, where appropriate, an effective alternative will be provided to qualified individuals with disabilities, unless doing so would result in a fundamental alteration of the program or would constitute an undue financial and/or administrative burden.

## **Tobacco & Drug-Free Environment**

Riverside County Office of Education Board Policies 4020 and 5131.6 prohibits the use, possession, and distribution of illicit drugs or alcohol products at all times on all property and in all facilities owned, leased, and/or operated by School of Career Education, whether indoors or outdoors. Violation of Board Policy may result in any or all of the following actions:

- Referral to outside agencies for substance abuse assistance.
- Dispatch request and/or report filed with local law enforcement agency.
- Ineligibility for Federal Financial Aid.

**Nurse Assistant** training prepares students to take the California competency exam for Certified Nurse Assisting (CNA). This state certification is a legal requirement for employment as a CNA. Students are prepared for employment in acute or long-term care settings. Students learn to observe and record a patient's condition, measure and record food and liquid intake and output, take vital signs, and provide patients with personal care such as feeding, bathing, dressing, and grooming. Students also learn isolation procedures, and to provide patients with help walking, exercising, and moving in and out of bed.

**Acute Care for Nursing** training allows students to perform CNA skills in the acute care (hospital) setting. The course includes instruction in communication skills, patient observation and reporting, and reinforcement of Certified Nurse Assisting procedures, with an additional emphasis on the specialized acute care areas of emergency, intensive care, medical/surgical, pediatrics, labor and delivery, nursery, mother/baby care, rehabilitation orthopedics, and cardiac/telemetry.

**Certified Home Health Aide** prepares students for employment in the home or hospice care setting as a Certified Home Health Aide (CHHA). Emphasis is on providing basic nursing care safely, efficiently, and economically. Students learn to work in various home situations, and to plan and implement nursing care based on the needs of the client. Students will become knowledgeable of illnesses and disabilities as related to the life cycle.

# Admission Information

---

To enroll in the School of Career Education the following requirements must be met. A high school diploma or successful completion of a GED is required.

- Complete Orientation
- Pass WBST Assessment
- Copy of High School Diploma, transcript, GED, or California High School Proficiency Exam (CHSPE) letter.
- Social Security Card or “Right to Work” Document
- Government Issue Photo ID

Students with academic or administrative holds will need to meet with the School of Career Education Coordinator/Principal before enrolling or re-enrolling in a School of Career Education class.

Students who have been administratively dropped or have self-dropped or withdrawn prior to successful completion of a program will need to meet with the School of Career Education Coordinator/Principal before enrolling or re-enrolling in a School of Career Education class.

## **STEP ONE: Orientation and Assessment**

Meet with an Admissions Technician for a School of Career Education orientation and assessment. Appointments can be made by phone or in person at our Student Services Centers:

### **School of Career Education Branch Campus**

2100 E. Alessandro Blvd.  
Riverside, CA 92508  
(951) 826-4SCE (4723)

### **Don F. Kenny Regional Learning Center**

School of Career Education Main Campus  
47-336 Oasis St.  
Indio, CA 92201  
(760) 863-3333

The School of Career Education orientation provides an overview of programs and facilities, as well as school policies, procedures, and expectations. An admissions technician will assist with career plans and will provide basic information about payment and financial aid options. Orientation participation is mandatory for School of Career Education programs. Orientation sessions are free and are for adults only; children are not allowed during testing, and no childcare will be provided.

## **STEP TWO: Registration**

Once eligibility is confirmed, go to the Registration office at the Student Services Center to enroll.

## **STEP THREE: Payment of Fees**

Proceed to the Student Accounts Technician to discuss financial arrangements.

**Payment in Full:** Pay total class fees using a Debit Card, Visa, MasterCard, Discover, American Express, Diner’s Club, money order, or cashier’s check. Any course having a cost of \$700 or less must be paid in full at time of registration.

**Payment Plan Option:** A payment plan option is available through the FACTS Tuition Management System. If choosing this option, you must make the initial down payment using a Debit Card, Visa, MasterCard, Discover, American Express, money order, or cashier’s check. Payments made to FACTS after the initial down payment can be made using a MasterCard, Discover, American Express, or automatic withdrawal from a checking account. An additional \$50.00 administrative fee will be assessed to students choosing the payment plan.

Students receiving assistance from workforce agencies, veteran’s programs, rehabilitation programs, Department of Labor services, and/or individual employers may be eligible for program fee assistance; speak with your caseworker for confirmation. Students may also seek financial assistance through other sources, such as third-party loans, community groups, and private organizations that offer scholarships and special awards. Refer to the “Student Financial Planning Options” section of this handbook for further details.

# Student Financial Planning Options

---

## Payment Options

Below you will find the various financing options, terms, and required documents to begin a student's financing selection. Students should meet with a Student Accounts Technician to discuss which plan is best for them.

### Payment in Full

Students may pay the full payment due at the time of registration with a cashier's check, money order, Debit Card, Visa, MasterCard, Discover, American Express, or Diner's Club. This option allows students to pay for the program in full with no further payments due. Any course having a cost of \$700 or less must be paid in full at the time of registration.

### Pell Grant

The School of Career Education administers Title IV funds based on eligibility. To learn more, student can contact a Student Accounts Technician at (951) 826-4SCE and choose option #3.

### Payment Plan

In order to assist students who wish to enroll in School of Career Education courses but cannot pay the full fee at the time of registration, students have the option of a payment plan to pay course fees. A payment plan option is available through the FACTS Tuition Management System

### Agency Contracts

Some students receive fee assistance from a public agency. If a student receives assistance from a public agency, the student must submit an approved authorization form or fee voucher completed and signed by an official agency representative. The authorized voucher must be submitted to the student account technician on the day of enrollment in order for the school to bill the agency. Students receiving partial fee assistance from public agencies are responsible for any remaining fees.

### Vocational Rehabilitation

The Department of Rehabilitation provides service and financial aid assistance to students with certain disabilities. To learn more, students can contact their local Department of Rehabilitation.

### Workforce Innovation and Opportunity Act

The Department of Labor may provide services and financial assistance to individuals who are participating in their training programs. To find out more, contact your local community Department of Labor.

## Other Funding Sources

### Corporate Reimbursement Programs

Employed students may be eligible for fee reimbursement through their employer's benefit program. Students can check to see if their employers offer fee reimbursement assistance.

Students can seek financial assistance through other sources such as third-party loans, community groups, and private organizations that offer scholarships and special awards.

# Drop and Refund Policy

---

It is the intent of School of Career Education to have a fair and equitable refund policy. The policy is uniformly administered and published. Students are provided an orientation prior to registration. Orientation presentations outline pertinent program information and expectations. Program fee refund for School of Career Education students withdrawing prior to completion of a program, are issued based on the following refund policies:

## Withdrawal/Drop Policy

If a student wishes to withdraw or drop from a program, they must withdraw in the Student Services Center. The student may be responsible for outstanding program fees.

## Refund Policy

All refund payments will be mailed within 45 days of the date of cancellation, withdrawal, involuntary withdrawal or completion of a Request to Drop a Course Form (located in Student Services Office).

**Important:** Checks will be mailed to the student's address maintained by School of Career Education. Students are responsible for keeping their address current. Please notify Student Services of any address changes. Refunds for students who receive financial aid will be first paid to the financial aid source according to a distribution formula established pursuant to federal regulations.

### Refunds for Continuing Education Classes (\$700 or less)

Tuition is collected in advance of the class start date; only the tuition minus the \$100 registration fee, will be refunded for students who drop on or before the first date of class. Students who drop on the second day of class are not eligible for a refund.

### Program Refunds (not applicable for classes \$700 or less)

#### Refund for Withdrawal Prior to the Start of Instruction

A refund of all tuition less a \$100 fee will be refunded to students who withdraw from the program prior to the first day of instruction.

#### Refund for Withdrawal after the Start of Instruction

Students withdrawing from school after the start of instruction and before completing 60% of the program term or payment period, will be refunded on a pro-rated basis and calculated by the number of program hours completed and any supplies and materials issued to the student.

The refund shall be calculated as follows:

- ❖ Deduct a non-refundable registration fee not to exceed \$100 from the total tuition charge.
- ❖ Deduct books or supplies that have not been issued.
- ❖ Divide this figure by the number of hours in the program.
- ❖ The percentage is the hourly charge for the program.

The amount owed by the student for the purposes of calculating a refund is derived by multiplying the total hours attended by the hourly charge for instruction, the cost from materials, and the amount of the non-refundable registration fee specified. The refund shall be any amount in excess that was paid by the student.

## Unofficial Withdrawals

Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula: Aid to be returned = (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period or term.

For the purposes of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the course when any of the following occurs:

- ❖ You notify the school of your withdrawal or the actual date of withdrawal
- ❖ The school terminates your enrollment.
- ❖ Your fail to meet Satisfactory Academic Policy.

### **No Refund for Withdrawal after attending 60% of program term or payment period**

Students attending 60% or more of the schedule program term or payment period will not receive a refund. Students will be responsible for any remaining balance on his/her account.

## Military Service

A Student who is called for active military service shall not incur academic or financial penalties due to performing military services on behalf of our country. Fees will be refunded on a pro-rated basis and calculated by the number of program hours completed and any supplies and materials issued to the student.

## Refunds to Students Receiving Community or Organizational Funding

All outside agency funding is subject to the refund policy. Students must adhere to the funding agency agreements. Students are responsible to pay School of Career Education any unpaid fees.

## Return of Title IV Funds

The School of Career Education is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence. Prior to completing 60% of a payment period or term, the Federal Title IV financial aid programs must be recalculated in these situations.

If a student leaves the institution prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula: Percentage of payment period or term completed = the number of days completed up to the withdrawal date divided by the total days in the payment period or term. (Any break of five days or more is not counted as part of the days in the term.) This percentage is also the percentage of earned aid.

If a student does not officially withdraw from a program and fails to earn a passing grade, federal aid regulations require that we assume the student has “unofficially withdrawn,” unless it can be documented that the student completed the enrollment period. Unofficial withdrawals require a Title IV refund calculation at the midpoint of the enrollment period. The reduction of federal aid may create a balance due to the School of Career Education that must be repaid.

## Title IV Refund Process

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower may owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement which must be paid within 180 days of the student's withdrawal. The institution must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of the determination of the date of the student's withdrawal.

**Refunds are allocated in the following order:**

- Unsubsidized Direct Stafford Loans
- Subsidized Direct Stafford Loans
- Direct PLUS Loans
- Federal Pell Grants for which a Return of funds is required
- All other Federal Grants for which a Return of funds is required

**Title IV Refund Overpayment**

1. A bill will be sent with the amount due. You will not be eligible for further financial aid funds until the overpayment is paid in full. In addition, your school records will be placed on "HOLD." You will not be able to register for classes or request academic transcripts until this bill has been paid in full.
2. If you do not pay this bill or make payment arrangements, your overpayment will be reported to the National Student Loan Data System (NSLDS). NSLDS notifies all other colleges and universities that you now owe money. You will be ineligible to receive further financial aid, at any college. The NSLDS notification will be removed when your bill is paid in full.
3. If you continue to ignore this bill, and a final notice is sent to you, your account will be turned over to the Department of Education for all future collection. The Department of Education has the ability to garnish your wages, withhold your tax refunds, send your account to a collection agency, and take you to court to recover the money owed.
4. You must pay this bill in full within 30 days.

## Program Schedules

School of Career Education program schedules vary by location and length of class. See program description for further details.
