Riverside County Office of Education School of Career Education's (SCE) post-secondary programs are offered on a first-come, first-served basis. To be eligible to enroll in a program, adults are required to provide proof of a high school diploma or GED certificate, and pass a basic-skills assessment. Continuing education units and other preparatory classes may not have the same requirements. Prospective students must attend an orientation session prior to enrolling in a class. Please contact the Admissions Office for an appointment. Flexible payment arrangements are available for programs that exceed \$700.

Dental Assistant *Federal Financial Aid available for those who qualify for Pell Grant. Scholarship opportunity available, inquire with student services team.* **\$6,000**
Grindstaff Center II, Riverside
February 13, 2017 – August 10, 2017 **(24 weeks)**
10:00 a.m. – 6:00 p.m.
Monday – Thursday
Schedules and fees are subject to change without notice.

This course provides classroom and clinical instruction to prepare students for employment as a chair-side dental assistant. Instruction includes dental radiology, infection control, and sterilization and disinfecting procedures with an emphasis on OSHA requirements. Students will also learn to take impressions of teeth, chart oral conditions, and identify dental instruments and equipment. Preventative dental health, dental terminology, and dental anatomy will also be covered in the program.

Nurse Assistant *Scholarship opportunity available, inquire with student services team.* **\$3,000**
School of Career Education Branch Campus, Riverside
February 28, 2017 – May 12, 2017 **(10 weeks)**
8:00 a.m. – 4:30 p.m.
Tuesday – Friday
Schedules and fees are subject to change without notice.

This course prepares students to take the California competency exam to become a Certified Nurse Assistant (CNA). This state certification is a legal requirement for employment as a CNA. Students will be prepared for employment in an acute or long-term care setting. Students learn to observe and record a patient's condition, measure and record food and liquid intake and output, and take vital signs. Students will learn to provide patients with personal care such as feeding, bathing, dressing, and grooming. Students also learn to provide patients with help walking, exercising, and moving in and out of bed. For this portion of the program students are required to train in a skilled nursing facility (nursing home).

**Social Security card required; must pass a criminal clearance background check, and must meet physical agility – lift 60lbs. up to 30 times in an 8 hour work shift.*

Pharmacy Technician Bootcamp *Scholarship opportunity available, inquire with student services team.* **\$3,000**
School of Career Education Branch Campus, Riverside
March 7, 2017 – June 14, 2017 **(13 weeks)**
8:00 a.m. – 4:30 p.m.
Tuesday – Friday
Schedules and fees are subject to change without notice.

This course prepares students for the state Pharmacy Technician licensing, and entry-level pharmacy technician jobs in many practice settings. Units of instruction include basic clerical skills, customer service, insurance, billing, retail skills, knowledge of practice settings, standards and ethics, laws and regulations; knowledge to identify and employ pharmacy and medical terms, abbreviations and symbols, knowledge and ability to calculate common dosages, employ pharmacy, metric and apothecary systems; knowledge and understanding of the identification of drugs, drug dosages, routes, and forms; knowledge of and ability to perform recordkeeping techniques and the ability to dispense medications. Instruction will also include extemporaneous compounding and intravenous admixture. In addition to theory, 90 hours of clinical internship are required.

***Social Security card required; must pass a criminal clearance background check.**

Emergency Medical Technician

\$1,845

School of Career Education Branch Campus, Riverside
March 13, 2017 – August 9, 2017 **(20 weeks)**
6:00 p.m. – 10:00 p.m.
Monday – Thursday

Schedules and fees are subject to change without notice.

This course combines training in all elements or pre-hospital, basic life support in accordance with the standards prescribed by the California Administrative Code, Title XXII, and by the local emergency medical services agency. Instruction includes scene management, OB/GYN emergencies, patient assessment, shock airway management, immobilization, dressing and bandaging, extrication and rescue, and other emergency responses. Students will learn to interact with others in ways that demonstrate respect for individual and cultural differences and for the attitudes and feelings of others. This course covers all aspects of training required for the National Registry.
