

Continuing Education Classes

Educational Activities or experiences designed to assist in the development of knowledge and skills with the goal of maintaining one's current professional occupation (as opposed to advancing one's career). Participants in continuing education are assumed to have previously attained a basic level of education, training, or experience in the occupational area in which they are enrolling.

Continuing Education course offerings are not accredited by the Council on Occupational Education and do not qualify for Title IV financial aid assistance.

This 85-hour course is designed to prepare students for permit requirements as an Orthodontic Assistant. Jobs include orthodontic chairside assisting for an orthodontist or general dentist. The course will provide practical aspects and apply classroom theory in a clinical environment. Community classroom externship includes pre-clinical science, infection control procedures, and advanced chairside assisting in orthodontic specialty. This course will prepare a registered dental assistant to perform Orthodontic Assistant duties as described in the Dental Practice Act.

Prerequisites:

1. Current/Active Registered Dental Assistant License OR proof of six (6) months experience as a dental assistant. (A letter from the employer/dentist is required.)
2. Proof of Completion of DBC Board Approved Ultra Sonic Scaling Course.
3. Verification of T.B. or skin test or chest x-ray clearance within the last year.
4. HBV vaccination clearance.
5. Completed a course in Basic Life Support (AHA or ARC).
6. Proof of having completed a Board approved eight-hour Infection Control course (two-hour course required for licensed RDA).
7. Proof of having completed a two-hour Board approved course in CA Dental Practice Act.

Students must wear scrub type uniform and lab coat.
