## CONTINUING EDUCATION CLASSES

Educational Activities or experiences designed to assist in the development of knowledge and skills with the goal of maintaining one's current professional occupation (as opposed to advancing one's career). Participants in continuing education are assumed to have previously attained a basic level of education, training, or experience in the occupational area in which they are enrolling.

*Continuing Education course offerings are not accredited by the Council on Occupational Education and do not qualify for Title IV financial aid assistance.*
