*Program fee **DOES NOT** include enrollment prerequisites, immunizations, health clearances, program requirements, or required materials. *Externship hours vary depending upon sites.

*Schedules and fees are subject to change without notice. Taking this course does not guarantee a job.

This phlebotomy program prepares students for entry-level employment as phlebotomists in hospitals, clinics, blood banks and other healthcare settings.

Instruction includes:

- Developing skills in performing phlebotomy procedures during on-campus training followed by an externship.
- Venipuncture techniques, specimen processing, and non-blood specimens.
- Assigned designated clinical externship will be included as part of the required training.

Admission Requirements

- Must be 18 years or older at time of registration.
- Proof of high school or equivalent transcript.
- Current government-issued photo ID.
- Social Security Card or Right to Work Document.
- Health clearance documents deadline (TB test, Hepatitis B Vaccine, MMR Vaccine, Chicken Pox Vaccine, T-dap, and Flu Vaccine): **1st week** of class.
- Current CPR card: must read “Health Care Provider” and be valid through the duration of the Phlebotomy course.

Program Requirements

- Maintain a minimum 76% grade average and a 93% attendance rate.
- Externship included in program.
- Fingerprinting and background check may be required.

Included in the Cost of Program Fees

- Textbooks.
- Two uniform sets.
- NCCT Phlebotomy Technician-NCPT exam.

Where would I work?

- Physician’s office.
- Medical and surgical hospital.
- Outpatient care center.
- Health practitioner office.
- County public health office.
