Course Description:

This course is an accelerated version of the Medical Clinical Administrative Professional Course designed to train and prepare students for entry-level employment as a Medical Assistant to a doctor and/or medical staff within a clinic or healthcare center. Topics of instruction include communication skills, ethics, confidentiality, anatomy, vital signs, assisting with patient exams, pharmacology, and administration of medication to include injections and venipuncture, medical terminology, metrics, EKG and advanced charting. **Students will meet California state requirements for administering injections, drawing blood, performing capillary blood collection, preparation and testing to obtain AHA BLS Healthcare Provider CPR certification and AED certification** with recognition and proper response to common medical office emergencies.

Admission Requirements:

- Official high school or equivalent transcript.
- Successful completion of required assessment test.
- Current government-issued photo ID.
- Social security card or right to work documentation.

Program Requirements:

- Maintain a minimum 76% grade-point average and a 93% attendance rate.
- Basic keyboarding and computer skills to facilitate learning of software.
- Internship hours included in program.
- Fingerprinting and background check may be required.

Included in the Cost of Program Fees:

- Textbooks.
- Two uniform sets and one lab coat.
- American Heart Association Basic Life Support (BLS) CPR training and card.
- NCCT Medical Assistant-NCMA exam
