### COURSE DESCRIPTION:

This course is designed to train and prepare students for entry-level employment as an assistant to the doctor in an office, clinic or healthcare center. Topics include communication skills, ethics, confidentiality, anatomy, vital signs, assisting with patient exams, pharmacology, medical terminology, metrics, EKG, advanced charting and administration of medication to include injections and venipuncture. Students will meet California state requirements for administering injections, drawing blood, and performing capillary blood collection. In addition, this course also offers training and testing to obtain American Heart Association (AHA) Basic Life Support (BLS) Healthcare Provider CPR certification. This program prepares students with the skills necessary to successfully pass the National Center for Competency Testing (AMCA) Clinical Medical Assistant Certification (CMAC) exam.

### ADMISSION REQUIREMENTS:

- Official high school or equivalent transcript.
- Completion of required assessment test.
- Current government-issued photo ID.
- Social Security card or right-to-work documentation.

### PROGRAM REQUIREMENTS:

- Maintain a minimum 76% grade-point average and a 93% attendance rate.
- Access to a tablet or laptop with internet access.
- Drug testing and background check may be required.

### INCLUDED IN THE COST OF PROGRAM FEES:

- eTextbook and MindTap platform access.
- Two uniform sets and one lab coat.
- American Heart Association Basic Life Support (BLS) CPR training and card.
- Internship included in program.
- AMCA Clinical Medical Assistant Certification-CMAC exam.
